

Ecology

Greater Greener Growth

If you are looking for help with specialist ecological advice and services for small or large scale projects nationwide, you can trust us to deliver practical and innovative solutions. Our team is fully licensed in working with most protected species, including great crested newts and bats.

We have a wide range of practical experience with key species such as birds, reptiles and mammals, including badgers.

Our services include:

- **Habitat & Species Surveys & Licensing**
- **GCN Low Impact Licensing**
- **Habitat Creation, Restoration & Management**
- **Stakeholder Engagement**
- **Ecological Impact Assessment (EclA)**
- **Coastal Habitat Monitoring, Management & Support**
